Discord

EXPERIENCE

May 2022 – Present

UI/UX Specialist • Bencin Studios

- ✦ In addition to responsibilities listed in previous position:
- ✦ Create and implement visually appealing video game design systems in Unity
- ✦ Develop and document UI/UX design and implementation pipelines
- ✦ Advocate for accessibility in all aspects of the user experience
- ✦ Create 2D graphics and UI art for video game and marketing products

May 2021 – May 2022

UI/UX Designer • SAGE Dining Services

- ✦ Met with clients to determine and document business requirements
- ✦ Conducted user research to allow for effective decision-making in designs
- ✦ Tracked and updated tasks in Jira to ensure designs were delivered promptly and to specification
- ✦ Created mockups and prototypes in Photoshop and Figma
- ✦ Met with Agile development team and stakeholders to create product design specifications

Nov. 2019 – May 2021

Computer Systems Analyst & Asset Management Specialist • SAGE Dining Services

- ✦ Created software mockups for development team, resulting in promotion to UI/UX designer
- ✦ Refactored entire Confluence knowledge base
- ✦ Promoted to Confluence administrator to author all new documentation
- ✦ Maintained technology asset inventory as the sole Insight admin on the team
- ✦ Reviewed all historical asset entries, revising them to ensure a complete, accurate inventory
- ✦ Ensured all opening venues received technology assets before their first day of operation
- ✦ Offered technical assistance to both in-house and remote users

May 2019 – Nov. 2019

Director of First Impressions • SAGE Dining Services

- ✦ Provided technical support, resulting in promotion to Computer Systems Analyst
- ✦ Managed room calendars and booked appointments
- ✦ Answered multi-line phones, routed calls, and assisted callers with general information

EDUCATION

Aug. 2021 – July 2022

University of Maryland, Global Campus

- ✦ B.S. in Software Development & Security
- ✦ Graduated summa cum laude (4.0 GPA)

Aug. 2014 – Dec. 2018

University of Maryland, Baltimore County

- ✦ B.A. in Business Technology Administration
- ✦ Completed upper-level courses in management, information systems, and system design
- ✦ Was in the Game Development Club!
